

Dear Sponsors,

2020 has brought about many changes. Due to those changes, this year Zonta's 13TH annual run/walk will be held virtually from October 15th to October 30th. The goal of this virtual run/walk is to raise funds to support the Zonta International Foundation. The Foundation supports programs that make a difference in the lives of women in more than 57 countries. From efforts to reduce the risk of HIV/AIDS through health education and prevention of mother to child transmission programs to increasing access to educational opportunities and vocational skills training for girls and young women in Africa, Asia, and South America. Zonta International Foundation provides for programs and projects that benefit thousands of women around the globe.

For the past 12 years, the support of generous sponsors of the 5K run has been the key to making our annual run/walk a success. We hope this year you will continue your partnership with us for our A to Zonta Virtual Run/Walk.

Please consider a sponsorship of \$150. As a sponsor you will receive:
